TEST REPORT

Inorganic Ceramic Coating

COMPANY PROFILE

Shenzhen MeiShengFa, established in 2009, is an enterprise integrated with design, manufacture, and export trade of cookware, kitchenware and home appliance.

We have been the Alibaba Assessed Supplier for 10years. Our production capacity, quality assurance, product flow, products quality have been verified by Bureau Veritas.

For years, MeiShengFa always pay high attention to R&D level and production management. Our factories possesses the standard and neat workshops ,which equipped with advanced facilities, such as machinery for automatic disc-cutting and polishing ,bottom brazing, cover spinning as well as production line for assembling and packing. We focus on strict quality control to meet clients' quality requirements. Our products comply with the safety standard of FDA, LFGB and SGS.

Now our products are available on all distribution channels like wholesale company, TV shop, E-Shop, hypermarket and different multinational retail chain stores.

Our vision is to be the best supplier kitchenware to meet the various needs, and create a vivid cooking style.

All customized inquiries are warmly welcomed!
